Product Details

Botanical Name: Prostanthera
melissifolia

Country of Origin: Australia

Extraction Method: Steam Distilled

Plant Part: Leaves

Strength of Aroma: Strong

Cautions: None Known

KidSafe: Yes

Description

Australian Balm Mint Bush essential oil is steam distilled from wild harvested leaves found in Victoria's mountain eucalyptus forests. The intensely refreshing oil imparts a rich mint aroma with crisp eucalyptus notes and is known for its highly uplifting, cleansing and clearing properties. It is prized for a wide range of uses, including helping with teenage skin issues and serving as a natural household surface cleaner. This oil has also been used to ease respiratory agitation.

Directions

Add Balm Mint Bush oil to a diffuser to create an energizing and uplifting atmosphere. Use in a massage oil for a revitalizing experience. Balm Mint Bush also blends well with other refreshing essential oils such as Citronella, many Eucalyptus oils, Lavender, Lemon, Peppermint, Rosemary and Tea Tree.

Blends Well With

Basil Linalool, Cajeput, Cardamom, Cedarwood (All Types), Citronella, Eucalyptus Globulus, Frankincense (All Types), Lavender, Lemon, Peppermint, Rosalina, Rosemary, Sandalwood, Spearmint, Sweet Orange, and Tea Tree.
